

CSA COACHING CONDUCT STATEMENT

I, _____, understand that as a youth soccer coach for _____ soccer team(s), registered in, playing in, or otherwise representing Cleburne Soccer Association, That I will conduct myself in a manner that demonstrates good sportsmanship towards my players, the opponents, spectators, and game officials, prior to, during, and after any training sessions or games. Furthermore, I understand that I am responsible for the conduct of my players and spectators, and that ANY NEGATIVE REPORTS concerning these issues turned in by game officials will be reviewed by the Director of Coaching. After review and investigation of the events, a recommendation may be made to the A&D committee to suspend or ban certain parties involved from future attendance at practices, games, and other CSA events.

I also understand that strict enforcement of these standards will promote a fun and positive learning environment for players, coaches, officials, and parents. I understand that game officials and coaches should **WORK TOGETHER FOR THE GOOD OF THE GAME**, to provide the best experience possible for all participants, and to set a good example for our youth regardless of which side of the pitch they are on.
